

## Do you need access to Central Iowa ASTD's members-only content?

After you pay for your membership to Central Iowa ASTD, you need to register on the web site for members-only access. Here's how to begin fully utilizing our web site:

1. Click the **Register** button at the top of the web site and fill in the form. As part of that process, you will choose your own unique username and password – there is no longer a generic password.

2. A notice will be sent to our chapter administrator that you are requesting access. Once you have been verified as an active Central Iowa Chapter member, member access will be granted. The goal is to grant access within eight business hours, and it is frequently less than that.

3. You will be able to log in by entering your username and password. When you are signed in, there will be a link in the lower right section of the home page for members-only content. Click that to be directed to additional content.

Note: Since you are creating your own password, you can reset it using the **Forgot Login?** button.
